

# SPEED AND POWER IN THE PALM OF YOUR HAND! INTRODUCING THE NEW PRORATCHET™

ProMAXX® ProRatchet™, is a multipurpose air ratchet for drilling, driving and more is engineered to be the foundation of power accessories to assist the technician in completing time-consuming repairs in limited access areas.

## Key drivers:

- Patented single dog clutch impact mechanism provides a maximum speed of 600 RPM with a maximum torque of 45 FT-LBS
- Versatility of a ratchet and a drill-driver
- Reaction free while still providing high speed and high torque
- Reverse lever for one-handed operation
- Sealed flat head for long life
- One Year Warranty

ProRatchet™, was engineered to deliver speed and power at unprecedented levels in a 1/4" drive application resulting in one of the most powerful, and quietest air-wrench on the market today. The combination of 600 RPM and 45 FT-LBS of torque provides new levels of versatility as both a ratchet and a driver/drill in a compact size.
