

SPEED AND POWER IN THE PALM OF YOUR HAND

EXTENDED-REACH POWER RATCHET

The new PPD2800 Drill is designed to reach the tough areas and tackle difficult drilling angles, helping technicians drastically cut down on repair times and increase overall efficiency. The drill features a 90 degree long reach angle head and a .3 horsepower motor that provide unprecedented reach, speed, and power.

Key drivers:

- Capacity: 1/4"
- 2800 RPM & 25 IN-LBS torque
- Angle Head may be rotated 360° for superior operator control
- Motor cylinder and rotor are hardened alloy steel to ensure proper alignment and long life
- Smooth quiet operation
- One Year Warranty
